That You May Know

1 John 5:1-13

1. We have been and are currently in “uncertain times.” How have you handled the uncertainty? Your family? What’s been most frustrating?
2. What did you hear in today’s message that you’ve heard before but you needed to be reminded of it again?
3. John gives us great assurance in these 13 verses. What did he say was “true about you” that encouraged you the most? What was one thing he said was “true about Jesus” that you didn’t know before?
4. If you’re a follower of Jesus... Who shared Jesus with you? Did the identity or character of that person influence your faith? Or was it their personal testimony?
5. Do you know right now – without a doubt - that you have eternal life? If yes, explain. If not, what’s missing? Who can you talk to?
