2. Take a moment and consider your story of when you met Jesus Christ...
  - a. How did it happen? Who did God use to share Jesus with you? What "clicked" for the first time?
  - b. What was your initial response? What feelings did you feel? Was there excitement? Or joy?
  - c. Did you go tell someone immediately (like the Samaritan woman)?
  
3. Do you feel like the initial excitement and joy you may have experienced in your relationship with Jesus has waned at all?
  - a. If so, what do you contribute that to?
  - b. If not, what's been the key for you to remain joyful and excited to share Jesus with people?
  
4. King David gives us a clear & simple path to having this joy restored. Of the 3 things mentioned (confession, petition, vision) in the message, which one is most necessary for you? Explain.
  
5. Have you ever restored something or seen something restored? What did it take? How did it feel once the restoration was complete?
