

# TO GO

1. Can you think of a time in your life when, after a step forward in your faith, you **letdown your guard** and took a step backward?
2. Which of the three challenges mentioned in the message **hit home** in your life? How can you **trust** God in the midst of this challenge?
3. Why is it so easy for us to make **comparisons** of others as a way of life rather than looking to Christ as our model? What does Paul conclude in 2 Cor 10:12 regarding a person who makes a habit of **comparing** themselves with others?
4. Take some time and work through today's passage and note the **repetitions** in the text and the **three sections** of Abraham interaction with the Hittites (3-6; 7-11; 12-16).
5. Is there a **promise** of God you are currently trusting God for? If not, ask Him to show you one that you can **memorize** and **utilize** in your walk with Him.
6. Identify one or two **challenges** you are currently facing. How does your **faith** in Christ currently making a difference in how you are facing these challenges?
