
TO GO

1. What was your life like before you trusted in Jesus? How did you meet Jesus? How has your life changed since coming to know Jesus? Share your story.
2. Jacob was a man whose faith and obedience to God grew over decades. What was Jacob like as a young man? What are some indicators from today's passage that his life is changing?
3. God commanded Jacob to return to his homeland (31:3). Jacob responded in obedience (31:17). What does Jesus have to say to us about hearing and doing God's Word (Matthew 7:21-27)? What does James say about hearing and doing God's Word (James 1:22-25)? How can we transition our Bible studies from studying God's Word to studying Scripture and applying God's Word?
4. Obeying God does not necessarily lead to an easy life. What hardships did Jacob face as a result of obeying God? Jesus? Paul? Apostles? You?
5. Like Jacob, you have a story to tell! Through faith in Jesus, God has changed you and continues to change you. Who can you share your story with today?
